Dropping the Mask: 
A successful EMSP fundraising story

We did it! With the invaluable help of our members and supporters we raised 6,000 euros to fund an advocacy video dedicated to young people with multiple sclerosis (MS): Dropping the Mask. Read more.

EMSP blog: Post-Brexit, a united MS community is the only way forward 

British patient advocate Shana Pezaro writes about the need to keep multiple sclerosis (MS) advocacy going in times of Brexit. Read more.

World Brain Day 2016: Supporting brain advocacy in Europe

EMSP supported European-wide and national-awareness raising efforts on 22 July, the recognised World Brain Day. Read more.
Spain: 150,000 people 'made a splash' for MS

Thousands gathered on 10 July on 900 beaches and swimming pools throughout Spain to take part in an awareness-raising campaign initiated by EMSP’s members from the Esclerosis Multiple Espana (EME). Read more.

EPF survey: What does 'quality care' mean?

EMSP’s partners from the European Patients’ Forum (EPF) are asking patients what matters most in the provision of ‘quality’ care. Their survey is open until 30 September. Read more.
